

WINE LIST

SOUTHEY'S WINE BOUTIQUE carries a wide range of wines from South Africa, plus some French Champagnes, and some of these wines have been selected for our Wine List. These wines have been chosen to offer you as wide a choice as possible in terms of grape varietal, region, style, and value. However, we cannot list all of the wines that we stock in the Wine Boutique, so please feel free to browse through the shop to find the wine of your choice. (please note when choosing from the shop that white wines, rose wines and sparkling wines not listed on the wine list will not be chilled)

Southey's policy is for you to enjoy the wine of your choice at a realistic price.

WE ADD A R30 CORKAGE PER 750ml BOTTLE FOR ALL WINES ON OUR WINE LIST & WINES BOUGHT FROM THE WINE BOUTIQUE (This fee is already included in the Wine List prices)

BYO corkage is R40 per 750ml bottle.

For information on the current vintage please ask your waiter.

WINES OFFERED BY THE GLASS:

Our wines by the glass have been selected from **WATERKLOOF WINE ESTATE** \ **FALSE BAY VINEYARDS**, which offers some of the finest wines in the Western Cape.

Our decision has been based on a few reasons:

- Great value for money
- Supporting local business (& reducing carbon footprint)
- their biodynamic farming methods (which ensure a balanced ecosystem)

We hope that you enjoy your wines by the glass!
